

CONFIDENTIAL RECOMMENDATION FOR FIC GUIDANCE ADVISORS PROGRAM

Description of the Guidance Advising Program:

Guidance Advisors are FIC alumni who provide personal and academic support to FIC students. Guidance Advisors help to support the Student Advisors by answering day-to-day questions and concerns. To be a Guidance Advisor certain qualities are necessary, such as to be caring, patient, and thorough. They are entrusted to provide accurate information and sound advice to students. They must appreciate the difference between questions or concerns that they can answer, and issues that need to be escalated to a Student Advisor. Most importantly, all applicants must have a genuine desire to help students succeed!
